

Media Kit 2023

Overview

Intellias is a trusted technology partner to top-tier organizations and digital natives helping them accelerate their pace of sustainable digitalization. For over 20 years Intellias has been building mission-critical projects and delivering measurable outcomes that meet our clients' business needs. We are contributing to the success of the world's leading brands, among which are HERE Technologies, Syngenta, TomTom, HelloFresh, and Travis Perkins. Intellias empowers businesses operating in Europe, North America, and the Middle East to embrace innovation at scale.

We help organizations from across a variety of industries create innovative digital products and experiences using deep expertise in emerging technology, domain knowledge, and high-performance product culture. Based on the business's strategic objectives, we enhance the product vision, technology utilization, and production capabilities.
